BIM Professionals (All Levels) | Dubai

Join the team shaping extraordinary spaces through light.

We're growing our Dubai studio and are looking for BIM professionals at all levels to join our collaborative, creative team.

Whether you're starting your BIM career or you're an experienced BIM specialist looking for your next challenge, we'd love to hear from you.

What you'll bring

Experience using Autodesk Revit in a BIM environment.

A keen eye for detail and a collaborative approach.

The ability to produce accurate, coordinated BIM models and documentation.

A passion for design, innovation and delivering exceptional project outcomes.

Previous experience within lighting, architecture, MEP or the built environment is advantageous.

Why Nulty?

At Nulty, we create lighting that enhances the way people experience spaces. From luxury hospitality and workplaces to residential, retail and public realm projects, our teams work on inspiring projects across the globe.

You'll be joining a supportive, people-focused business where creativity, collaboration and personal development are at the heart of everything we do.

Location: Dubai, UAE

If you're ready to take the next step in your BIM career, we'd love to hear from you. Please send your CV and portfolio to: office@nultylighting.co.uk
